Nursery Parent partnership: Thursday 9th October

Please keep checking schooling important information and dates.

THIS TERM'S CLUBS ARE UP AND RUNNING....

This week has seen the return of our after-school clubs.

This is a brilliant opportunity for children to try new experiences or spend more time doing the things they enjoy as well as socialising with a wider range of children.

Monday's reception, Y1, Y2 cooking club had some very excited chefs who made a vegetable-packed quiche. This is often an opportunity to try new foods and build the healthy eating patterns we need our children to develop.

Thank you to parents for supporting us with providing children with a small, healthy snack, if needed, before clubs.

Some of our clubs have been very popular this term. If children haven't been allocated a place this term, Brian will always try to find a place next term.

We also have a range of activities which staff run at lunchtimes: choir with Anna, Kateryna's Y6 newspaper club and, this year, our new chess club. Whilst some of our children are already keen chess players, others are being taught how to play by our chess coach.

WEDNESDAY'S FAMILY READING BREAKFAST

Our family reading breakfast returned this week. On Wednesdays, please do come along to read and enjoy a free coffee/tea/bagel with your child. We have a great range of reading activities available and staff keen to support/chat to you about all things reading.

HEALTH SCREENING AND WORKSHOPS

Our reception and year 6 children were both visited by the school nursing team for today's health screening.

Our y6 children had a workshop about healthy choices and completed a questionnaire. The team will return next term, sharing key information on the areas our children were most curious about.

The team also set up a pop-up stand in the EYFS playground at lunchtime. Children learnt songs about handwashing, sorted foods into healthy and unhealthy choices and practised brushing their teeth on a model. It was very popular!

Monday 29th September: Macmillan coffee morning at morning drop-off in the middle hall:

- Meet other parents
- Chat to staff and members of our PTFA
- Enjoy a coffee and a cake
- Raise money for a great cause

We would LOVE any cake or home-baked donations.

EUROPEAN DAY OF LANGUAGES

We've had a great day celebrating, and trying, the languages that children speak in our school community. We've also been saying hello and goodbye in French, our KS2 MfL language.

THIS WEEK'S ATTENDANCE

THIS WEEK'S ATTENDANCE IS A HEALTHY: 96.2% 

Y5 STUARTS: 100%

Y4 Elizabethans: 98.5%

Y5 Georgians: 98.4%
