The temperature may have dropped this week, but our children's learning focus remained high. Our year 6's visited the British Museum as part of history learning around the Ancient Greeks. Onika in Y6 Victorians gave her feedback on the exhibition: "There were many fascinating examples of art and architecture: pottery, sculpture and columns. My favourite part was reading all the information about the exhibits. I would certainly love to visit this museum again. "

We have seen many great things in classes this week: some brilliant Year 5 writing around Yetis (inspired by the author Michael Morpurgo), great Y1 writing progress - we hear they are also writing instructions at home, our year 2's were demonstrating their skill in using a number line to subtract crossing tens. Watching them at play, our nursery children are clearly becoming confident independent learners

Finally, congratulations to Y1 Saxons who enjoyed hot chocolate to celebrate 100% attendance!

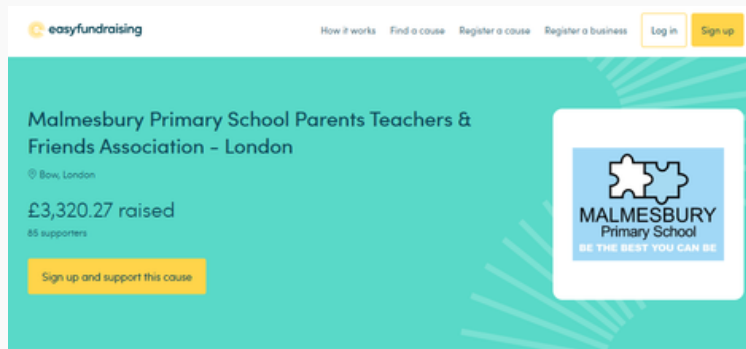

Thank you for your Children in Need donations. We raised £220 on the day with more money coming in thanks to the Pudsey Bear colouring competition - we have some really creative children. Here are just a few entries....

Last month's Macmillan coffee morning raised over £330 towards another great cause. Thank you for your generosity.

With black Friday deals and Christmas coming up, please sign up to support us through #easyfundraising. Every time you shop, if you go onto the easyfundraising website or app, you can find your retailer and complete your shopping with them. Do your shopping AND help raise funds for our school! Over 8,000 retailers are signed up to the scheme, including **Amazon, Tesco, Asda, Iceland, John Lewis, Just Eat....** to name a few.

If you aren't already signed up, scan the QR code to do so and join the 85 families and friends already signed up to support us. Once you are set up, you'll see it is just a couple of extra clicks when online shopping. Currently we raise a around £150 a month but we could raise much more, very easily. Getting aunts, uncles, grandparents and friends signed up will all help! #collaboration.

This year our PTFA are going to help us raise important funds for our playgrounds. We would like to upgrade our EYFS playground equipment. We are also signing up for a Trees for Cities project to add more green space to our playground. These are all expensive projects so any additional financial support we can get will make a huge difference to what is possible for our children. They deserve fabulous playground spaces to learn and play in!

This week's attendance:

94.5%

top three classes:
 Y5 Georgians 98.6%
 Y2 Lionhearts 98.2%
 Y6 Victorians 97.8%

BE THE BEST YOU CAN BE.
