Celebrating inclusion in action

We are proud of our reputation as a very inclusive school: we are here to serve the needs of all the children in our local community, where at all possible.

Some of you will be aware of our Danes class specialist provision offer. We are working in partnership with Phoenix Special School to pilot specialist classrooms in mainstream schools.

Thanks to the hardwork and dedication of Natasha, Shaunie, Tyra, Brian and Rebecca we are very successfully supporting our higher-needs learners to thrive with a carefully tailored curriculum and classroom environment.

We regularly have schools from across the Borough come to see the work our team is doing. Last week we had National SEND leads visit as well as journalists from SchoolsWeek.

It's beginning to look a lot like Christmas our Christmas tree is up and we have lots planned to celebrate an important festival as well as enjoy some fun together at the end of term.

Please keep checking the newsletter and schoolpings - there is lots going on!

Next Wednesday (11th) we kick things off with Christmas lunch for children AND our Winter Wonderland Christmas Fayre.

THANK YOU TINA

At the end of this term, we will be saying goodbye to Tina, our fabulous Nursery lead practitioner. Tina has worked at Malmesbury for 20 years - she is very much part of the fabric of our school community. We know many of you will want to thank her for all she has done for our children, and our school community, over the years.

We wish her well as she moves onto a new phase of her life and look forward to hearing how she is getting on.

Attendance this week:

93.92%

Georgians: 99.3%

Yorkists: 99.3%

Cavaliers: 98.3%

A reminder that colds and coughs are a normal part of childhood - children are often able to come into school rather than miss out on important learning. Every day counts: particularly for reading, writing and maths where children are learning new skills every day. If you aren't sure if your child should be in school, please talk to our admin team.

Our staff will call home if children are too unwell to be in school.
