HOME AND SCHOOL WORKING TOGETHER TO GROW GREAT READERS

Monday's reading workshop for our nursery and reception parents offered lots of information about how we teach early reading and how parents can support children with reading at home. Thank you to everyone who was able to give up their time to come along #collaboration

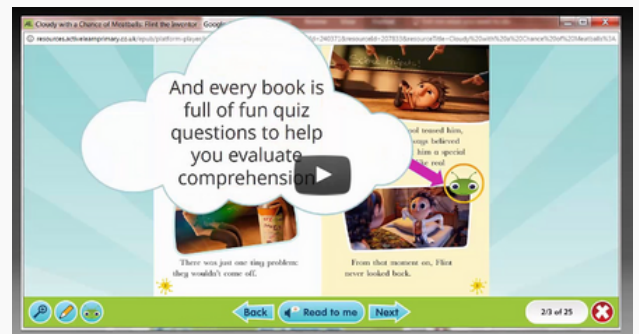

The workshop gave me a great overview of what my child is working towards in Early Years and how I can help her progress at home through talk, games and books. You can tell that the school team are really passionate about reading and progress for all - thank you!
Hollie (nursery parent)

How can you help at home?

Find time for your child to read at home every day. It is all about practise, practise, practise!

Use Bug Club - this is a FREE online library of books matched to your child's reading ability. It has lots of features including a tool to read the book to children. Teachers can see lots of data about what children have read and their understanding of what they have read.

This week's attendance

Whole school attendance this week:
94.95%

The top 3 classes this week:

Y4 Tudors - 99.17%

Y6 Victorians - 97.98%

Y4 Stuarts - 97.92%

Four more classes were above 97%: Y3 Lancastrians, Y2 Lionhearts, Y1 Saxons and Nursery blue dinos!

Our year 5 children finished last half term with a visit from our local MP Uma Kumaran. Since then, she has been in touch to let us know she has asked TH's council's Chief Executive about the potential closure of the Soane Centre - thank you to Kazmer in Y5 Georgians for asking about this issue.

We also received a letter from the Houses of Parliament praising our children (and their teachers).
