Friday 13th June: KS1 and
KS2 Sports day @ Mile
End Stadium (info to
follow shortly)

Well done to our year 6's!

Our year 6's have done themselves, their families and our school proud this week. They've tackled their SATs tests with determination and maturity.

Our year 6's have much to look forward to as they enter their last few weeks with us: trips/workshops, end of year performances and visits to their new secondary school to get ready for the next exciting stage of their education and growing up. And for now... time to enjoy some fun in the sun!

Nursery Chicks

Our nursery children have been living our values of curiosity and care this week. They have been scientists observing eggs hatching and then watching the chicks grow, treating them with care and respect.

This has generated lots of new vocabulary and cross-curricular learning.

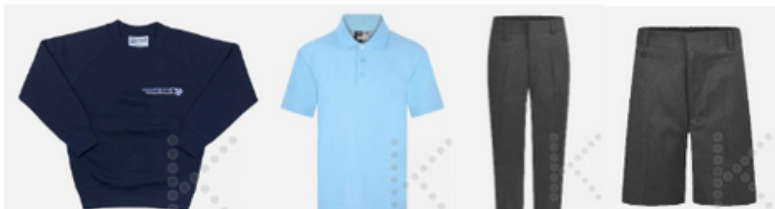

Year 4 swimming

Our Year 4 children have just completed the first week of their intensive swimming sessions at the Olympic Pool - the children are loving it and we've heard that they are sleeping very well each evening! Many thanks to all the families who have volunteered their time to support - we simply couldn't make it work without you!

Class photos

Don't forget our class photos are being taken next Tuesday. Please make sure children are in their uniform. Photos will be available for families to purchase shortly after half term - these were really popular last year.

This week's attendance:

This week: 96.7%

This week's 100% attendance week has really boosted our attendance. One more week until the half term holiday.

Let's finish with everyone in school getting the education they are entitled to!

top three classes:

Y5 Cavaliers: 100%

Y6 Victorians: 99.63%

Y4 Elizabethans: 99.60%

BE THE BEST YOU CAN BE.
