Our website is having a much needed update. We want to provide families and online visitors a sense of who we are as well as with key information (less is sometimes more). The website should reflect what is important to us: the diversity and closeness of our school community, our offer for our children and families and 'how we do it here' - our values.

We are still in the process of updating the curriculum and information for year groups, however, you can see what we are trying to achieve. Any feedback is much appreciated!

### OUR MALMESBURY CURRICULUM APPROACH

Leaders have designed an exciting curriculum for all pupils, including those with special educational needs and/or disabilities. Pupils, including those with SEND, achieve well across a range of subjects. Pupils have access to a wide and rich set of experiences which allow them to develop their interests, talents and character.

OFSTED June 2023

### OUR CURRICULUM INTENTION...

Our curriculum is designed to enable every pupil to 'be the best that they can be.' Our curriculum approach is planned to equip children in playing a full and active role in our rapidly changing world - our values of pride, perseverance, curiosity, collaboration and care shape our curriculum offer. All children are valued and catered for in their learning.

## November's parent teacher consultations

Our Autumn term parent-teacher consultations will happen in the second week of November. Info to follow on Monday. This is an opportunity to have a 1:1 meeting with your child's teacher to information share: how has your child settled in? What next for their learning? How can we support?

## Malmesbury's own Fantasy Football League

Malmesbury league starting 18<sup>th</sup> October - see schoolpings for more info. This is an opportunity to have some fun across our school community.

## School Photographer

The school photographer will be in on Wednesday 22<sup>nd</sup> October. This is to take individual photos which parents will be able to purchase after half term. (We do class photos too in the summer term). Please check children are smartly dressed in their school uniform.

We will also offer a sibling photo session 8am - 8:45am: parents can bring children via the office to have photos taken with their siblings. This is likely to be popular so please arrive early. We ask that parents stay with children whilst waiting.
