

# MALMESBURY PRIMARY SCHOOL

Newsletter: 24th May 2024

Dear families,

Last weekend, as many of you will know, the football season finished with lots of exciting final games. We talked about 'team' as part of our collaboration value in assemblies this week. Our children are able to recognise football teams by the kits both the players and their fans wear with pride.

This week our children have been wearing their 'kits' Malmesbury uniforms with pride: our class photos look wonderful as a result with a real sense of team.

Your child will come home with the photo proof straight after half term: we have been given a discounted rate for this year.

Attendance: our attendance has been shooting up this week with a high of **97.7%** Well done everyone!

**4th July General election:** it is likely the school will be a polling station. We will update you when we have confirmation.

Finally, thank you for your continued support this half term, wishing you all a good break next week. We have an exciting final half term coming up with lots of trips and special events planned. We look forward to seeing children back on Monday 3rd June.

**Be on time for ten to nine....**

**8:50**

**A reminder that our school day officially starts at 8:50am.**

To support children to settle in and be ready for learning, we open the gate from 8:40am.

At 8:50am our teachers talk through the school day with children, practise key basic skills they are working on and begin to take the register.

Please help your child have a great start to the school day by bringing them in on time. Talk to our staff if your child is finding anything difficult.

**Our year 4's saw their science learning in action this week at the Sea life centre....**
