ANTI-BULLYING WEEK @ MALMESBURY....

Next week we'll be marking anti-bullying week in school. The theme is 'the Power of Good.' This involves children knowing how to use their power for kindness and positive action.

We are fortunate, incidents of bullying are very low. However, we work with young children who are still learning how to be - our job is to help them through our assemblies, lessons, workshops and ongoing conversations with children.

BIKE AND SCOOTER RACK FUND RAISING

Thank you to everyone who baked or bought the cakes and bakes to raise funds for new bike/scooter racks. We raised £428 - most of this in the first 20 minutes at the end of the school day!

Thank you to Dr Bike for coming along on a very wet afternoon to look at children's bikes. We'd love to invite him back on a sunnier day.

Magic Breakfast

Yummy crumpets in my tummy,
 which makes me go funny
 Rice krispies in my mouth go pop, pop, pop!
 That makes me want to bop, bop, bop! 🍌
 Jenga blocks are cool
 And building houses out of Lego too,
 Board games are nice,
 The ones with dice, 🎲
 Books are fun,
 Until you are done
 So come to breakfast club,
 Where it is magical and fun until it is done
 Where all the fun is 5 days a week
 So come have a look
 and take a peek!

We work closely with Magic Breakfast and often host visitors as they work to gain new funding for breakfast clubs across the country.
 Thank you to Brian, Debbie, Runa, Natalie and Wendy for the work they do to give our children a great start. Thank you too to Lena for preparing bagels/toast for children as they arrive in school each day.

Last week we were invited to attend Magic Breakfast's new strategy launch event.

Our children were treated like VIPs and even appeared in their new video (scan the QR code). Thank you to one of our Y6's who wrote and then confidently performed a poem about breakfast club.

Together, we'll nourish futures.
