

## English

In English we will be writing setting descriptions and recounts based on the book Paddington visits St Paul's .

We will also retell and write our own stories based on the Anansi stories.

We will be working hard to use our full stops, capital letters and our phonics. We will also be using and to join our ideas together.

## RE

In Religious Education we will be answering the question "Who is a Christian and what to they believe?"

We will talk about some simple ideas about Christian beliefs about God and

## History

In History we will be answering the question "Who were Florence Nightingale and Mary Seacole and why are they significant?"

We will be learning about their lives and the impact that they had on nursing during the Crimean War and afterwards.

## Maths

In maths we will study the units and place value of numbers (within 20) and addition and subtraction (within 20)

We will learn how to double, half, add and subtract to solve problems. We will make different numbers up to 20 using our number bonds. E.g  $17+3=20$   $18+2=20$   $16+4=20$

## Science

In Science we are learning about the human body parts and will be conducting varying experiments focusing on our five senses.

## Art:

In Art we will be learning to use graphite pencils and pastels when we create art inspired by plants and animals.

## Trips & Workshops

We will be visiting the local church and having a visit from Florence Nightingale in school.

Spring 1 2026—Year 1

## Computing

In Computing we will be learning how to manipulate shapes and images on the Chromebooks and also adding text and changing the fonts.

We will also learn about staying S.M.A.R.T online.

## PSHE

In PSHE will be thinking about our dreams and goals and how we can take steps towards achieving these.

We will also be focusing on our own mental health and well being using the new Thrive Curriculum.

## PE

In Physical Education we will be learning about attack and defence during games.

We will also be learning about how we can control our bodies, making different shapes and movements during gymnastics.

## Music

In Music we will be taking part in African Drumming.
