COLLABORATION

We collaborate. We know that working together makes us stronger and that together anything is possible. We listen, discuss, share and take turns. We include everyone. We build on others' ideas and help each other succeed.

Dear families,

We celebrated our value of **collaboration** this week. This time last week, we were having some fun and raising money for red nose day – a total of £386 was raised through our gate collection and just giving page, thank you for your generosity!

Our parent-teacher consultations were a great opportunity for us to share children's progress and discuss how we can continue working in partnership to meet our children's needs and help them thrive. It was great to see our children's pride when they shared their work.

Thank you for your support in dropping children safely off at school this week, particularly avoiding parking/dropping off on the Coburn junction. I know time is precious but so are our children.

Our year 3/4 dodgeball team won their first ever competition. Other schools commented on how well they worked together as a team, here they are talking tactics in a particularly tough final. They were delighted. Thanks to Abdul for his lunchtime coaching sessions and to Brian for being the team's biggest champion.

Finally, can you help? Our playground is in need of some TLC. If you have any time to spare to help with painting, planting, laying new woodchip or even repairing our planters we would love to hear from you. Please talk to Shaheda (schowdhury@malmesbury.towerhamlets.sch.uk). We can then arrange a time for you to come in to support.
