BE THE BEST YOU CAN BE

World Book Day Special

Yesterday's world book day was fabulous - with so much going on in the world, moments of joy in our community are more important than ever. Thank you to all of our families for embracing the day, whether it was helping to prepare costumes, talking to children about their reading or coming along to our book fair, there was much to celebrate.

The range of book characters seen was fabulous and this year's 'go all in theme' was evident in children's pride and curiosity around reading. Lots of learning, lots of laughter.

Many of our children's costumes had homemade elements with children taking great pride in what they had made themselves at home.

Our teachers had a hard job choosing just a few world book day winners. Thinking carefully about children's costumes and their book choices.
