This week, our Trees for Cities Education Team were back in working with children from Y1-Y6 to plant up our new edible garden. We are really excited to see what grows over the next few weeks and months. Many of our children brought their knowledge from home to our planting sessions.

Our Eco-councillors are going to be busy looking after our new space. Our new trees each need 50 litres of water a week as they grow! We are also looking for any parents/carers who might have a little time on their hands to help us look after our plants and help them grow.

## Y3 BBC TEN PIECES MUSIC CONCERT

On Tuesday our Y3 classes visited Hackney Empire to participate in the BBC 10 Pieces Schools Concert. They experienced the power of live orchestral music with the BBC Symphony Orchestra. It was a diverse journey through a musical timeline of 10 key, mainly female, composers, where they joined in singing and body percussion whilst also learning about each section of the orchestra.

My favourite part was when we were singing because I love singing.  
My favourite instruments were the violin and the drums.  
You should go to Hackney Empire, it's so much fun!  
Taliyah

There were instruments such as the violin, viola, bass, cello, flute, clarinet, oboe, trumpet, tuba, harp, French horn, timpani drums, piano, and cymbals.  
My favourite instrument was the harp because it was relaxing and very satisfying.  
Finley

## AUTHOR VISIT AND BOOK SIGNING

Yesterday, Alastair Chisholm visited Malmesbury to launch his latest new book. Thank you to our oracy champions for welcoming him and leading our q&a session.
