Learning Beyond The Classroom

This week our Year 5 consolidated their Geography learning about Rivers with a trip on the Thames Clipper from Tower Bridge Pier to Greenwich. They also sketched the view down from the Greenwich Observatory. Y1 visited Mudchute Farm as part of their science learning about animals.

Next week.....

- Y4's start a two week block of intensive swimming lessons in the Queen Elizabeth Olympic Pool.
- Y3 visit Hackney Empire to see BBC Ten Pieces Orchestra perform
- Children from Y1-Y6 are planting up our Trees for Cities Edible Garden.
- 20 children in KS2 will run the Mini London Marathon in Central London.

Our learning beyond the classroom opportunities are so important as we help children make real world links and provide opportunities which are inspiring and motivating.

AUTHOR VISIT AND BOOK SIGNING

Last chance for Y4-6 children to buy a copy of Alastair Chisholm's latest book 'We are Dragon' by clicking on the QR code here or in the the schoolping. These will be signed by Alastair when he visits next Thursday.

From the author of I AM WOLF and I AM RAVEN comes the final instalment of Alastair Chisholm's dystopian adventure!

Rieka has lived her whole life aboard Constructs, giant mechanical creatures that battle each other for territory. Now a new enemy has swept across the land - DRAGON. And even with all the survivors united against it, Dragon is winning.

Technically brilliant, Rieka believes that she alone can turn the war. But the path she sets out on is dangerous, both for her and her friends. And all the while, there is a truth about herself she must face.

If she doesn't, she could destroy everything she's trying to save.

WE ARE DRAGON
I AM RAVEN
I AM WOLF

Pre-order your books for Alastair to sign for you on the day!
EVENT: Thursday 23rd April
ORDER DEADLINE: Friday 17th April
