## Summer term highlights

### Great job Y6!

It is always great to celebrate our children's achievements. This week it is our Y6 children's turn.

They have been working hard all year to ensure they have secured the basic skills needed to thrive at Secondary school.

In this week's KS2 SATs tests we simply asked children to 'try their best' and they absolutely did. They should be incredibly proud of their resilience and perseverance: completing 6 test papers over 4 days.

Thanks to all staff involved and to our y5 classes who were really respectful during y6's test times.

**AWE AND WONDER!**

As part of our reception children's knowledge and understanding of the world, they have been watching caterpillars turn into butterflies. This week, they released their newly grown butterflies into our community garden.

Our children were so excited to see them released and were full of facts about the life cycle of the caterpillar.
