

# MALMESBURY PRIMARY SCHOOL

Newsletter: 2nd February 2024

Dear parents, carers

Next week marks Children's Mental Health Week. This year's theme 'My voice Matters' is about empowering our children by providing them with the tools they need to express themselves.

When we feel empowered there is a positive impact on our wellbeing. Children who feel that their voices are heard and can make a difference have a greater sense of community and self-esteem.

At Malmesbury, we want all children to be able to say – and believe 'My Voice Matters.' We are continuing our work on this in school: we are part of Tower Hamlets Oracy Project to support the development of our children's spoken communication skills. We have many opportunities across the curriculum, and beyond, to support our children with being heard and valued.
