Many thanks to our PTFA for another incredible summer fair. Thanks to everyone who came along and contributed to the day too.

We also really enjoyed our year group stalls this year - with children's games and products proving very popular.

Thank you to our nursery children for their brilliant singing in the first of our summer music concerts. Thank you to the many parents/carers who were able to come along to watch and celebrate with their children. By the end of term, every child across the school will have performed in one of our concerts or performances. #pride
