OUR MALMESBURY CHOIR IN ACTION

Our choir has had a busy week. On Tuesday we hosted children from two schools in a rehearsal for September's Thames Music Festival. On Thursday our choir were invited to perform at Spitalfields Market to raise money for the homeless charity Providence Row. It was a great opportunity for them to perform to a different audience and help fundraise for a great cause - we're really proud of them.

Congratulations to one of our Y5 children who travelled all the way to Scotland to enter (and win) the Under 10's Grade 4 Tennis Championship! We are really proud and hear that she may be off to meet Tower Hamlets Mayor soon.

The recent sunshine and rain has been brilliant for getting our Trees for City garden blooming. Some of our children will have a follow-up workshop on plants and biodiversity shortly.

This week's attendance: 93.66%
