CONGRATULATIONS AND GOOD LUCK YEAR 6!

Over the last few days, we have been celebrating our year 6 children's last few days with us. It has been a pleasure watching them grow and become the fabulous young people they are.

It was a pleasure to enjoy our year 6 leaver's performance. Our children wrote and performed their own script, including writing their own Malmesbury version of 'Our Favourite Things.'

Their 'Malmesbury Recipe for Success' script was based around a favourite books this year. It was great to hear children linking our values ingredients of **CARE, COLLABORATION, CURIOSITY, PRIDE AND PERSEVERENCE** to their time at Malmesbury.

We are excited to hear what they will achieve in the next chapter of their stories.

AN OPPORTUNITY FOR OUR YOUNG PEOPLE TO HAVE THEIR VOICE

Here is a survey from the children's commissioner. Children can either complete independently or with adult support.

For the first time, hundreds of thousands of children will be eligible to vote in the next general election at age 16, the biggest change to the franchise in half a century – yet just one in five children say politicians listen to them.

That's why I'm doing my final survey, *The Big Future*, to talk to a million children, to listen to them. And to find out about what it's like to be a child today.

I am asking children about the changes they want to see in their communities, their biggest concerns, and their hopes for the future. More than anything, I want to know what they think a good childhood should look like, now and in the future.
