Not Just Sports holiday club: Tuesday 27th -
Friday 30th Oct

Parent-teacher consultations
1:1 meetings with teachers to discuss your child's progress
Tuesday 10th and
Thursday 12th November

On average in the UK, the school run costs families **£109 per year***.

Pedal power requires a one-off investment with minimal running costs — no fuel, no tax, and no parking fees. A simpler way to get from A to B... by Cycle!

The school run can take up nearly **100 hours*** across the school year. That's time lost to congestion and drop-off queues.

The average primary school journey is just a 15-minute cycle. Less rush, more ride!

Bring some fun to the school run!

Cycling helps children build confidence and independence while starting the day in a calmer, more active way. Helping pupils arrive at school energised and ready for the day ahead.

What a great way to celebrate our additional bike and scooter storage, next week.

We are always incredibly proud of our active families walking, scooting and cycling to work.

Every short car journey adds to congestion and air pollution around schools.

Switching the school run from car to cycle for a whole school year could save around **307kg*** — helping create cleaner air and healthier streets for children.

SCHOOL PHOTOGRAPHER VISIT

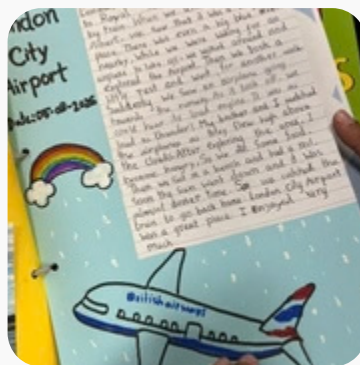

A reminder that our school photographer is visiting this Tuesday (6th).

from 8am to 8:45am, we will be doing sibling photos. Come to the school office, if interested but please be aware, these are always popular, so be advised there will be a queue!

Please ensure your child is wearing their Malmesbury School Uniform with pride.

SUMMER HOLIDAY SCRAPBOOKS

This week, every child who completed a summer holiday scrapbook came home with their certificate and a book as a prize. Thank you to everyone who participated. These provided us with great opportunities to promote our oracy work and talk with children about their summers.

ONLINE SAFETY FEEDBACK

A reminder that we are still gathering feedback from parents/carers about our online safety work and how we can work together to keep children safe. Our google form will stay open until next Friday (9th), please do check Arbor for the link to complete this short survey.

Thank you to all the parents who have already responded. We'll present back next steps, once we have all feedback.

THIS WEEK'S ATTENDANCE

This week: 95.8%

Y4 Elizabethans: 99.2%

Danes Specialist Class: 98.58%

Y1 Romans: 98.55%

Y5 Stuarts & Reception Green Dinosaurs: 98.52%
