MALMESBURY Primary School

BE THE BEST YOU CAN BE

Autumn 2 2026 Year 1

English

·Through our study of the book Martha Maps it out, we will be consolidating our work on writing sentences with capital letters, finger spaces, correct letter formation and full stops.
We will be securing our tenses by writing a recount of a visit to Tredegar Square.
We will continue to use our phonics.

History

We will be studying Toys from the past and comparing them to modern toys and thinking about who might have played with them. We will create our own Toy 'Museum'.

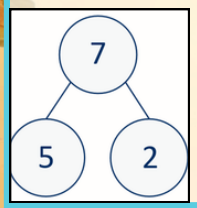

DT

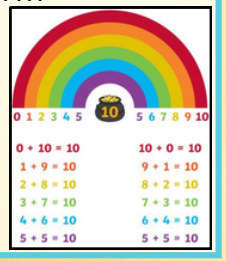

Year 1s will be designing and building a playground model. We will explore different materials to create a stable structure and then evaulating against our own criteria.

Maths

This halfl term we will be practising our addition and subtraction within 10 and learn fact families, if 2+3=5 then 5-3=2.
We will also be using part whole models.
As always, we will be ensuring we form our numbers correctly.

1	2	3	4	5
6	7	8	9	10

PE

We will be using dance to create a series of controlled movements to represent a superhero.

PSHE

Year 1s will be finding out what we can do about bullying and learning how we are the same and different.

Phonics

Over this half term, Year 1s will be revising these phonic sounds such as: wh,ai,ee,igh,oa,oo,or,er,ow,ear and these tricky words: their, people,these,looked,called, asked,friend,where,our,who,again,because,many.

Science

Saxons and Romans will begin the topic of Seasons by visiting Tredegar Square and describing how it looks in Autumn. We will then visit Tredegar Square throughout the year to see how it changes throughout the seasons, paying particular attention to the trees and animal life. We will record all this in a special diary.

Computing

How to open a page on the internet.
Online safety - how to search the internet safely, why it is important to keep personal information private.

Music

Year 1s will be learning songs, rehearsing and practising our performance skills in preparation for the Christmas performance
We will aso be working with the Music Beyond Imagination team once a month.
