

MALMESBURY PRIMARY SCHOOL

Newsletter: 20th October 2023

Dear parents, carers

Next half term we are looking forward to more opportunities to meet with you and work in partnership.

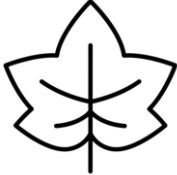

Our parent-teacher consultations are on the week beginning 13th November. This is an opportunity for you to meet 1:1 with your child's teacher to gather feedback and share information about your child's progress and how they have settled into their new year group. Please book your appointment using Wisepay.

Throughout Autumn 2 and Spring 1, we will also be holding parent partnership meetings for each year group. In these meetings we will share key information specific to your child's year group. Our reception parent partnership meeting on the 7th November will be an opportunity for us to share our early reading approach (including phonics learning).

In the meantime, if you have any information you want to share or questions you'd like to ask, our teachers are always happy to help. #teamwork
