

MALMESBURY PRIMARY SCHOOL

Newsletter: 29th September 2023

Dear parents, carers

At Malmesbury we are committed to learning outside the classroom. Our children take part in lots of trips during their time with us linked to various aspects of their learning in school.

Y6 Windsors led the way with the first class trip out this year. They visited the British Museum to learn more about the Ancient Greeks. Our children lived up to the high expectations we have of them as they represent our school in the wider community. We had feedback from staff and museum staff about how polite and well-behaved our children were. It was a day packed full of lots of learning and fun. We are really proud of them.

This week we officially became an Asthma and Allergy friendly school. The award recognises the work the school does to support children with asthma and allergies.

As part of this, we would like to families to support us by keeping nut products at home rather than bringing them into school as in packed lunch boxes.. Thank you.
